

WHY BUY FROM US?

Our claim of having the lowest price and best quality mobility scooters is guaranteed.

In addition to this, our free home demonstrations and free ongoing training whenever you need it, sets us apart from the competitors.

Servicing your scooter should be as easy as you making a phone call. Our mobile workshop enables us to visit you to complete any maintenance and repairs anywhere in Brisbane, Sunshine Coast, Gold Coast or Ipswich.

Because we're a local company, based in Brisbane, we support many local community based services including Red Cross, Blue Care, Baptist Care, and RSL Care. It's all about improving the quality of life for everyone in our local community.

Because of our cost efficient company structure, we can pass on large discounts direct from our manufacturer to you, and provide a high quality product that will give years of enjoyment.

Here is a list reasons why you should buy from us...

Top Quality

We analysed the top global scooter manufacturers and selected the best for the Australian market. Our scooters have the highest quality parts, in addition to the superior safety and affordability.

Community Involvement

We are active in your local community, offering free presentations at retirement villages and working with local councils to ensure your footpaths and crossings are safe. Our major contributions are to Red Cross, Blue Care, RSL Care and Baptist Care.

WHY BUY FROM US?

Extra Training

If you need more training, or perhaps a refresh, then we offer this service for FREE. We want you to be safe and feel at ease when navigating your local area.

Affordable Prices

We guarantee that our prices are the lowest when you are looking for a mobility scooter for sale. This is possible through the cost efficient way our company is structured and because we deal direct with the manufacturer, there are no distribution companies raising prices.

Home Demonstration

Trying one of our larger, medium or portable mobility scooters in your home and local streets is essential. We offer a FREE, no obligation demonstration to help you find the right model that suits your lifestyle. We can bring up to three models along to your home.

Leader in the field

Our manufacturer was founded in 1994 and exceeds international standards for safety, quality and innovation. With this kind of award-winning background, we're confident you'll be able to see the quality at a home demonstration.

Premium Parts

We've been able to install the premium upgrades on all our models, making them stand apart from the competitors. The seat is built with quality leather with a full backrest and all our wheels are larger, giving a smoother ride.

Easy-to-Learn Control System

Get where you want to go – quickly and easily. Our mobility scooter control system is easy to learn with a combined accelerator and brake. There are no hand or foot brakes, making it safe and fun to ride.

FREE Extras

Every mobility scooter we sell comes with a free flag for greater visibility, a free basket to help with your shopping, and all the in-home training you need to help you feel more comfortable navigating your local area.
